Augie,

Thank you for the update. I will have the trolley stop moved and change the visitor map accordingly.

I want to make sure I understand the change to the route. Can you please confirm that the trolley will make its usual stop at Ports O' Call and then will travel along Sampson Way to the newly completed road to the new Maritime trolley stop? I want to adjust the route on the map too.

Thank you for clarifying.

Kind regards,

Hi Lorena,

Please update the visitor's map as follows:

Under restaurants & Cafes please remove: Marina Bar & Grill, Candy Town, Boardwalk Café and Dreyers and remove the entire Shopping and Gifts & Retail section.

You may have to update some of the photos, I'm not sure?

Also, as I mentioned to you, Sampson Way will be closed and the new road open probably the 2nd week of October. If it's OK with you, I'm thinking that the red trolley will have to make it's Maritime Museum stop on Harbor right before 6th Street (at the bus stop). You'll need to move the trolley signage over to that bus stop and please see the attached drawing for a detailed explanation.

Thanks,

Augie

Augie,

Within the next month. I need to make the changes and go to print. That will take some time.

This map will be valid through next May 2018.

Please let me know if you have further questions and thank you for your assistance.

I can't email you the entire map because the file is too large.
